After Readi.

Directions: Read over the information below about irony. Match the three types of irony with their definitions and then complete the chart below.

what you had hoped or expected. impossible to predict the future exactly. Things often turn out differently from Authors use irony in fiction to surprise the reader. Also, in real life, it is

- Verbal Irony
- A. An event or occurrence that is the opposite of what was expected
- Situational Irony
- B. When the audience or reader knows more than the characters in a story, play, or film
- 3. Dramatic Irony
- meant C. When what is said is the opposite of what is
